Over the last few months I have been running down our Traidcraft stock. Now that a wide range of Fair Trade goods are available at the village shop and in local supermarkets it is no longer necessary for St James to have a Fair Trade stall. Many thanks to all the people who have helped over the years and many thanks to all who have bought from the stall. I hope you will all help poor farmers to live better lives by choosing to buy Fair Trade goods in the future. Thanks, Martha
